FRIENDS NEWS

Pop-up Sales

Love our book sales? Be on the lookout for themed pop-up sales at the library. Year-round we have books for sale on our Friends book shelves, and now we have special pop-up sales at the circ desk too!

Dine & Donate

Thank you, thank you for joining us this spring at our Dine & Donate event at Tannery Run. We enjoyed being with our friends and neighbors at this special event. And, you helped us raise money for the library!

Library Programs

Thanks to your support, the library continues to offer a variety of educational and fun programs for adults and children. Our summer reading celebration was our highest-attended one yet! The Friends made it extra special by providing entertainment and prizes!

Friends Board Members

We are looking for new board members. Positions are opening in January for treasurer and at-large members. In terms of time and effort, the Board meets monthly via zoom, and there are a variety of activities that need our support. These include the annual book sale and the Dine and Donate event. Throw your hat in the ring and be part of something that helps the library.
